Mr. Dulles:

b. Noted a report from [redacted] giving details on the turnover and stated he desired to use this in the next quarterly briefing for the NSC. The Director said that he was a little disturbed over the wording of the receipt we had the Russians sign for this individual since it did not make clear that he was being returned on a voluntary basis and on his own free will and accord. Mr. Helms undertook to insure that this does not occur in any future cases of this nature.

25X1

c. Noted that he wished to read some time this week the Summit supplements published by OCI.

S 7-22-55

d. Referred to the proposed News Letter to the Field and stated that: 1) he still is not entirely satisfied with its contents; 2) he wished to wait until the end of the current session of Congress before sending out a news letter in any form; 3) he is opposed to the idea of publishing such a letter on a regular basis.

S 7-8-55

e. Noted he had written Admiral Radford a letter regarding the reduction in CIA slots at the National War College from 3 to 2 and we had received a rather negative reply. After some discussion it was agreed that the Director of Training will prepare for the Director a memorandum on the value of CIA attendance at the NWC, pointing up the success attained by CIA

officers after graduation. Upon receipt of this information the Director noted his intention of speaking to Harold Hoskins at the Department of State in order to determine whether State might be willing to release a few of its slots to us.

Mr. Wisner:

25X1 a. Noted that [redacted] is arriving at headquarters this week and that he, [redacted] and others if necessary, would like to sit down with the Director and discuss our future plans in [redacted]. The Director approved and asked Mr. [redacted] to arrange this for Friday, 1 July. 25X1
